Location Reason for visit Connect using Providers Time Summary

"Suspect COVID Video Visits" are reserved for individuals who are experiencing mild COVID-19 symptoms.

DO NOT use this service if you are older than 65 or younger than 14, have a chronic medical problem (Insulin Dependent Diabetes, COPD, Sickle Cell Disease, Chronic Liver Disease, Chronic Cardiovascular Disease apart from Hypertension) or Pregnant.

This service is not for the following situations:
Severe symptoms: If you are experiencing severe symptoms, please go to your nearest Emergency Department.
No symptoms: If you are asymptomatic (you do not have any symptoms of COVID-19) but believe you may be a close contact of someone with COVID-19, please wait to be contacted by the Population Health team. If you are in home quarantine and are asymptomatic, please continue to follow your quarantine instructions.

Where are you currently located?

In order to provide you with the most appropriate care, we need to know your current location.
